

# Community Advisory Committee Meeting #39

Thursday, July 23, 2015

Hinkley Senior and Community Center, Hinkley, California

6:00 to 8:00 p.m.

The Community Advisory Committee (CAC) is made up of volunteers from the local community. The purpose of the CAC is to ensure that the community will be included in the proper and complete cleanup of the PG&E Chromium 6 plume and all by products from PG&E's remediation and any environmental impacts on the community. The Community Advisory Committee will be educated, aware and informed and will serve as an intermediary between Lahontan Regional Water Quality Control Board, PG&E, site contractors, IRP manager and the community at-large.
