**Lahontan Regional Water Quality Control Board**

February 6, 2015

***NOTICE OF PUBLIC MEETING***  
***February 26, 2015, 6 – 8 p.m.***

**Workshop on Proposed Cleanup and Abatement Order for  
Pacific Gas and Electric Company  
Hinkley Groundwater Cleanup**

On January 21, 2015, Lahontan Regional Water Quality Control Board staff released a proposed Cleanup and Abatement Order (CAO) for public review and comment. The proposed CAO consolidates requirements and replaces 15 previous orders; directs PG&E to continue to remediate chromium-contaminated groundwater; requires refinement of the chromium plume boundaries; sets plume capture requirements; and sets deadlines to meet interim cleanup targets. A monitoring and reporting program is included.

Written comments are due on the proposed CAO by 5 p.m. on March 13, 2015.

To help the public understand and review the CAO, Water Board staff is hosting a public information meeting during the comment period.

**When:** Thursday, February 26, 2015, from 6 to 8 p.m.  
**Where:** Hinkley Community and Senior Center, 35997 Mountain View Road, Hinkley, CA  
**Purpose:** Provide information and discussion on the proposed CAO. Hinkley residents and other interested stakeholders are encouraged to participate and ask questions.

This meeting is for information purposes only; it is not a formal Water Board hearing. No Water Board decision or direction will result from this meeting. Written comments on the CAO will be accepted at the meeting; however, verbal comments will not be recorded or included in the record for consideration.

Spanish language interpreters will be available at the meeting.
