PG&E Update on Activities: Reports and Other Submittals to the Water Board

- January 30, 2020 – Fourth Quarter 2019 Class II Surface Impoundments Environmental Compliance Geotracker Data Upload and Second Semiannual Report 2019
- January 30, 2020 – Fourth Quarter 2019 Monitoring Report for the In Situ Reactive Zone and the Northwest Freshwater Injection Projects
- February 10, 2020 – Fourth Quarter 2019 Groundwater Monitoring Report and Domestic Well Sampling Results
- February 13, 2020 – Alternative Source Demonstration Memo for the Cottrell ATU
- February 14, 2020 – Contingency Plan for Chromium Detected at Monitoring Well MW-128S1
- February 14, 2020 – Response to Comments on PG&E’s request for Approval to Perform Pilot Test of Modified Groundwater extraction for Lower Aquifer Remediation
- February 20, 2020 – Fourth Quarter 2019 Agricultural Treatment Units Monitoring Report
- February 20, 2020 – 2019 Annual EIR Mitigation Report
- February 20, 2020 – 2019 Annual Agricultural Rate Performance Report
- February 21, 2020 – Hinkley Pond 5 LCRS Action Leakage Rate Exceedance
- March 27, 2020 – Compressor Station Release Report
- March 30, 2020 – 4-Year Annual Cleanup Status and Effectiveness Report
- April 1, 2020 – Comments on the Background Study
- April 10, 2020 – Ponds Unauthorized Discharge Addendum
- April 15, 2020 – First Quarter 2020 Hydraulic Capture Report
- April 29, 2020 – 2020 Remedial Timeframe Assessment Action Plan
- April 30, 2020 – First Quarter 2020 Class II Surface Impoundments Environmental Compliance Geotracker Data Upload
- April 30, 2020 – First Quarter 2020 Monitoring Report for the In Situ Reactive Zone and the Northwest Freshwater Injection Projects
- May 8, 2020 – First Quarter 2020 Groundwater Monitoring Report and Domestic Well Sampling Results
- May 20, 2020 – First Quarter 2020 Agricultural Treatment Units Monitoring Report
- May 29, 2020 – Freshwater Injection Pilot Test Memo
- July 13, 2020 – Basis of Design for New Extraction Wells in North Central and Northeast South-Central Re-Injection Areas
- July 15, 2020 – Second Quarter 2020 Hydraulic Capture Report
- July 30, 2020 – Second Quarter 2020 Class II Surface Impoundments Environmental Compliance Geotracker Data Upload and First Semiannual Report 2020
- July 30, 2020 – Second Quarter 2020 Monitoring Report for the In Situ Reactive Zone and the Northwest Freshwater Injection Projects
